# PASSNYC'S GREATEST HITS

## COLLECTIVE IMPACT

Our first collective impact summit brought together 43 different organizations at the Abyssinian Baptist Church to discuss actionable ways to increase access and boost diversity in the specialized high schools.

## NEW NYCDOE INITIATIVES

We worked with the NYCDOE to craft and implement 6 new diversity initiatives aimed at increasing access and boosting diversity at the specialized high schools! The NYCDOE will spend \$15MM over the next 4 years on these efforts.

## SCHOOL EXPLORER

The PASSNYC School Explorer is designed to help you uncover the information you need on 1,270 elementary and middle schools in New York City.

## TEST PREP GIVEAWAY

We partnered with The Princeton Review to increase access to practice SHSATs. So far we have given away 500 hours (\$22k) in free SHSAT instruction.

## SHSAT HANDBOOK

We distributed our SHSAT handbook: a helpful guide (in English and Spanish) for parents who want to understand the complexities of the SHSAT.

## FREE TEST PREP

We partnered with TestPrepSHSAT.com to create FREE online access to SHSAT materials! Over 1,225 students from more than 600 schools have accessed over 2,100 SHSATs and practice drills since May 2016.

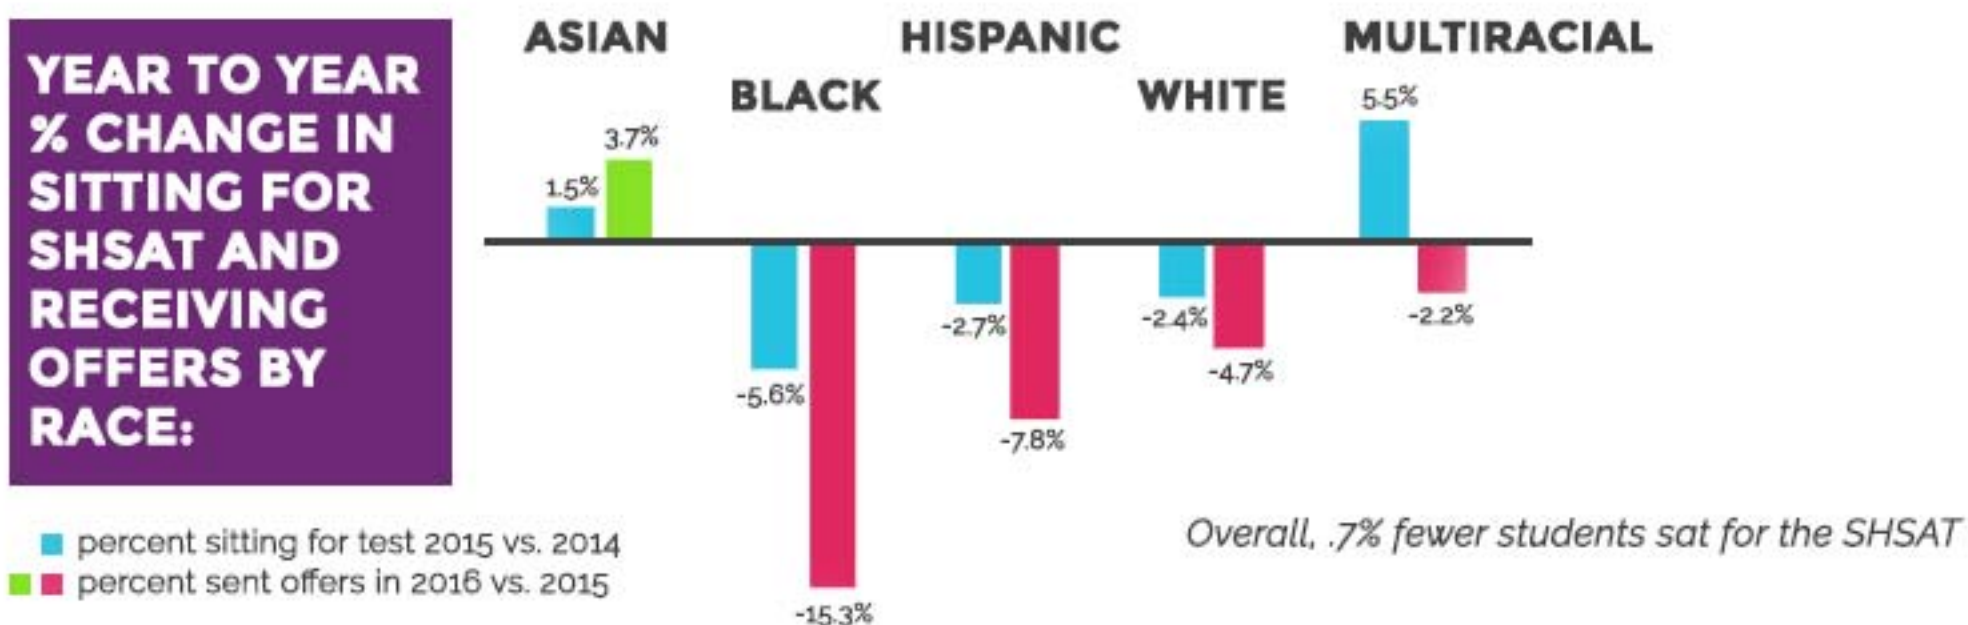

# DOUBLE DECLINE IN DIVERSITY:

## *New York City's Specialized High Schools Could Become Less Diverse After the 2015 SHSAT Test Results*

Improving diversity in NYC schools begins with sitting for the entrance exam. Unfortunately, fewer students sat this year overall, especially black and hispanic students. More troubling, their acceptance rates declined by an even greater margin:

Among the 8 specialized high schools, only Queens High School for the Sciences at York College saw an increase in seats offered to black students (**5, up from 4**)

Meanwhile, only Staten Island Technical High School and The Brooklyn Latin School saw an increase in hispanic offers (**8 and 50 up from 4 and 44, respectively**)

### REGISTER YOUR CHILDREN FOR THE SHSAT BY OCT. 13<sup>TH</sup>

Dear Parents and Guardians,

Your children need to register by **Thursday, October 13<sup>th</sup>** to take the Specialized High School Admissions Test (SHSAT) on **Saturday, October 22<sup>nd</sup> or Sunday, October 23<sup>rd</sup>**.

Taking the SHSAT is the only way for students to be considered by New York City's Specialized High Schools (SHS), which are some of the best schools in the country.

This letter includes a helpful guide to the New York City Department of Education's SHS Student Handbook. The SHS Student Handbook is available online at <http://schools.nyc.gov/ChoicesEnrollment/High/specialized/default.htm>.

We highly recommend you use the guide and the SHSAT Student Handbook to help become aware of and participate in New York City's SHS admissions process.

Our guide includes the most important information from the SHS Student Handbook, and lists the registration steps for the SHSAT. We made the Student Handbook Guide to make crucial info easier to use--just like the study guides from high school! Your involvement is essential to encourage students to keep their high school options open, and to take advantage of every opportunity that is available to them.

The SHSAT gives students additional options to consider if they attain a high score. Even if they do not score well, taking the exam is excellent practice for the PSATs and SATs.

All of the Specialized High Schools offer programs that are extensive and well-balanced to ensure students are prepared for college. Not all Specialized High School students focus on math and science.

Please have your children speak to their guidance counselors **as soon as possible** for more information and to register for this year's SHSAT before the **October 13<sup>th</sup> deadline**. Free online practice SHSAT can be found on our website at [www.PASSNYC.org/SHSAT=Prep](http://www.PASSNYC.org/SHSAT=Prep).

### INSCRIBA A SUS HIJOS PARA EL EXAMEN SHSAT ANTES DE 13 OCTUBRE 2016

Estimados padres y guardianes/tutores,

Sus hijos tienen que inscribirse antes del **jueves 13 octubre** para tomar el examen de admisión a las escuelas secundarias especializadas (SHSAT) en el **sábado 22 octubre o domingo 23 octubre de 2016**.

Tomar el SHSAT es la única manera de asegurar que las escuelas secundarias especializadas (SHS), entre las mejores escuelas secundarias del país, consideren a sus hijos para admisión.

Este mensaje incluye una guía acompañante al Manual del SHSAT. Puede acceder a dicho manual mediante el siguiente enlace: <http://schools.nyc.gov/NR/rdonlyres/88320716-9350-479F-95F3-9BBE-94374B5A/0/20162017SHSStudentHandbook-SPANISH.pdf>.

Les recomendamos altamente que utilicen esta guía y el Manual del SHSAT para informarse, prepararse, y participar en el proceso de admisión a las escuelas secundarias especializadas de Nueva York.

Nuestra guía incluye la información más importante del Manual del estudiante de las escuelas secundarias especializadas. También enumera los pasos del proceso de solicitud. Es esencial su participación en este proceso. Como cualquier guía de estudio para un examen, esta guía reúne la información más importante y la hace fácil de acceder y utilizar.

Hay que animar a sus hijos a que tomen en cuenta la gama de oportunidades disponibles en las escuelas secundarias. Hay que prepararse desde ya para aprovechar de las oportunidades que les son disponibles.

Si reciben una calificación muy buena, el SHSAT abre la puerta a varias opciones muy atractivas para sus hijos. Aún si este no es el caso, tomar el examen es buena práctica antes de los exámenes PSAT y SAT que deben de tomar en los años siguientes.

Todas de las escuelas secundarias especializadas ofrecen programas exigentes y variados. La alta calidad de estos programas asegura que sus alumnos estén preparados para asistir a la universidad. No todos alumnos de las SHS se centran en cursos de matemáticas y ciencias; las escuelas también especializan en otros temas como humanidades y letras.

Por favor, animan a sus hijos que hablen con su consejero vocacional **lo más pronto posible** para obtener más información y para inscribirse para el 2016 SHSAT antes de **la fecha límite de 13 octubre 2016**. Ofrecemos exámenes de muestra gratis en nuestra pagina web: [www.passnyc.org/shsat-prep](http://www.passnyc.org/shsat-prep).

#### Sobre nosotros

Promoviendo Acceso a las Escuelas Secundarias Especializadas en Nueva York ("PASSNYC") es una organización sin fines de lucro que se dedica a ampliar la gama de oportunidades educativas disponibles a alumnos talentosos de Nueva York que enfrentan un acceso limitado a información y recursos necesarios para acceder a dichas oportunidades educativas.

In the last two years, District 5 saw above-average improvement in 3rd grade ELA scores. 3rd grade math and 8th grade ELA proficiency in District 5 also improved, but at a slower pace than the NYC average. Overall, the city has struggled to improve 8th grade math proficiency, and scores in District 5 decreased more than the NYC average.

Methodology: All data for this report comes from the DOE. Because we could not find reliable data on attendance for all years and districts, we used weighted averages of schools' attendance within each district as an estimate.

NYC test data show how limited resources hold back our lower-income middle schoolers

Just how much does a student's economic background contribute to their performance? We looked at the relationship between wealth and English Language Arts scores across 1240 schools in NYC:

### WEALTH VS. ELA TEST SCORES

#### Takeaways:

Nearly all of the scores for wealthy schools are above the median score for poor schools (2.25); this means that even the lowest performing wealthy schools are doing better than about half of the schools in the "Poor" category.

The bottom 25-50% of schools in the "Wealthy" category are doing better than the top 50-75% of schools in the "Middle" and about 90% of schools in the "Poor" category.

The data show we need more educational opportunities for underserved students. Help us beat the odds by promoting access to specialized schools in New York City: [www.PASSNYC.org/get-involved](http://www.PASSNYC.org/get-involved)

To calculate a school's "wealth," we used this formula:  $\text{Wealth} = 100 - (\text{percent of students with temporary housing}) - (\text{percent of students who are HRA-eligible})/2 - (\text{percent of students who are free-lunch-eligible})/2$ .
